ITSM V3 Orientation: Executive Overview

Delivery Format: ILT
Delivery Format: MLT

Duration: 4 or 8 Hrs
Duration: 90 Days

Course Description

This hands on training course is an inexpensive and effective way to introduce an Executive management team to the concepts, relationships and benefits of an IT Service Management program using well accepted IT frameworks, methods and standards.

The **one-half day** "Introduction" course introduces the attendee to IT Service Management Lifecycle and how the ITSM processes contribute to building a quality IT infrastructure. The **one-day** "Exploring IT Service Management" discusses IT Service Management and its contribution to demonstrable IT service value, and introduces the attendee to the IT Service Management process objectives, activities, relationships, benefits and critical success factors.
